

# Volunteering as a firefighter or EMT is a challenging, exciting and rewarding experience!

"I started as a cadet in the fire service and it has lead to a long and very rewarding career."

Kirk Wilson  
Fire Chief  
Rockton Fire Protection District

Sponsored by the  
Rockton Fire Protection District and  
Hononegah High School

## Rockton Fire Protection District

Find out what it is like to be a part of the fire service and what steps it takes to get there by contacting us.

your interest?

Loyalty - Pride - Tradition

# Become a vital member of the Fire Service and the Community.

# IMAGINE

The cadet program is geared for individuals age 16-18 who have a passion for the fire service or emergency medicine. Individuals should possess a strong desire to help others along with a passion to impact their community.

The Rockton Fire Protection District has been serving the community since 1947. The district is approximately 54 square miles and services over 21,000 people.

We provide our community with fire suppression, ambulance, rescue, fire prevention and public education. Annually, we answer over 1,100 calls for service.

The program provides the skills and knowledge needed to become a firefighter. Members can be fully trained and state certified at no cost.

The training we provide is the same training required by career departments. We offer College tuition reimbursement in Fire Science degrees and EMT Paramedic training.

**Rockton Fire Protection District**  
Proudly serving the community since 1947
